COMMUNITY NONPROFITS

DECEMBER 5, 2022

OUR STORY

Since 1972, the Triangle Nonprofit and Volunteer Leadership Center has strengthened nonprofits and mobilized volunteers throughout the Triangle community.

We are proud to work with more than 1,300 nonprofits and connect over 15,000 volunteers -- all committed to making a difference. We provide students leadership training and encourage them to be civically engaged, serving over 40,000 hours annually. Through our holiday support programs like Share Your Christmas, thousands of our most vulnerable residents have been helped.

THIS EVENT

Each year we work with the Governor's office to recognize these volunteers and celebrate their accomplishments. Their stories are amazing. Quite honestly, our communities would be much different places without these volunteers and the nonprofits they serve so well.

This year, we not only celebrate where we've come from, but those who have been a part of our journey along the way. As we remember the past 50 years, we are excited for the next 50 to come!

Your Sponsorship is so important. Your support will allow nonprofits to attend and to recognize their KEY volunteers.

Thank You!!
